Three quotes have been received as follows; A £54,000.00, B £42,814.04 and C £22,535.00.

All three companies presented a good design, however it was felt that the design created by B incorporated all the elements of the working party brief.

5. **Community Orchard, Loudwater**

Council is asked to CONSIDER and, if so minded, APPROVE a request from the Loudwater Orchard Group to arrange and pay for an extension to the existing water supply which would be close to the orchard site.
