Site	Traffic Direction	Period ending	Days Nr 1 dp	85 percentile speed (mph)	Total Vehicle No's	Daily Vehicle No's	Vehicles 30 - 35 mph	Total Vehicles exceeding 35 mph	Daily Vehicles exceeding 35 mph	% Daily Vehicles exceeding 35 mph	Comments
London Road Layby East											
London Road Layby East	East	22/2/16	14.0	31.8	155,655	11,118	53,359	32,379	2,313	21%	
		2/8/16	15.0	32.2	188,728	12,582	61,592	42,053	2,804	22%	Slight % increase over 35
	East	30/7/18	45.0	32.9	552,233	12,272	191,922	141,844	3,152	26%	
London Road Lay West											
London Road Lay West	West	9/11/15	37.0	31.9	443,668	11,991	209,302	91,683	2,478	21%	Note: Road works would have slowed speed partly
	West	4/3/16	11.0	34.5	111,466	10,133	71,844	45,628	4,148	41%	
	West	18/7/16	14.0	34.6	149,000	10,643	99,486	72,994	5,214	49%	Daily vehicles stay the same but speeding is increasing to nearly 50%
	West	6/3/17	14.0	36.0	113,193	8,085	37,545	60,886	4,349	54%	
London Rd Birfield East											
London Road Birfield East	East	24/11/15	15.0	33,7	114,304	7,620	49,007	44,438	2,963	38.9%	Average speed remains same Vehicle count reduced by 25000 since 20th July
	East	6/6/16	14.0	33.5	172,215	12,301	63,471	52,987	3,785	31%	average speed still much the same but still a high percentage over 35mph
	East	16/1/17	34.0	33.6	300,515	8,839	130,955	108,955	3,205	36%	Average speed remains high as does the daily vehiclesexceeding 35 mile hour
	East	3/5/17	53.0	33.8	472,985	8,924	192,089	171,663	3,239	36%	Average speed remains high as does the daily vehiclesexceeding 35 mile hour
	East	10/10/17	36.0	33.8	352,706	9,797	156,293	133,850	3,718	38%	No improvement on speeding still 38% over 35mph
	East	26/2/18	25.0	33.3	262,650	10,506	116,732	86,138	3,446	33%	Daily totals much the same speeding appears to have reduced
London RD Birfield West											
London RD Birfield West	West	23/5/16	14.0	33.9	128,290	9,164	55,553	42,178	3,013	32.9%	AA Batteries changed out of charge and clock sync'd daily vehicles speed still very high at 33%
	West	26/9/16	21.0	33.0	263,444	12,545	88,645	70,310	3,348	26.7%	
	West	12/12/16	28.0	35.2	359,061	12,824	113,844	86,585	3,092	24.1%	Nearly 25% exceeding speed limit considering traffic is crawling at peak times weekdays % is still high
	West	5/6/17	33.0	33.6	411,704	12,476	142,348	125,363	4,314	34.6%	43,5% Increase in vehicles exceeding 35mph
	West	4/9/17	31.0	33.6	423,054	13,647	160,400	132,360	4,270	31.3%	All figures are much the same as normal Still 31.3% over 35mph
	West	31/1/18	23.0	31.8	233,710	10,161	72,304	48,161	2,094	21%	Daily total much the same speeding appears to have reduced ? Could be down to battery failure
	West	1/10/18	17.0	32.5	241,116	14,183	78,809	56,650	3,332	23%	overall speed reduced due to roadworks
Treadaway Hill North											
Treadaway Hill North	North	26/1/16	15.0	35.9	108,225	7,215	31,586	62,180	4,145	57%	
	North	20/6/16	14.0	36.2	100,288	7,163	73,782	57,797	4,128	58%	Very little change in totals % over 35mh still very high
	North	25/10/16	15.0	36.8	82,979	5,532	29,852	43,350	2,890	52%	
	North	14/11/16	21.0	37.2	156,410	7,448	45,702	95,526	4,549	61%	Data reflex speeds with speed indicator switch off
	North	31/7/17	28.0	36.4	183,700	6,561	68,482	91,044	3,252	50%	Very little change in totals % over 35mh still very high
	North	27/11/17	63.0	35.2	527,484	8,373	194,212	274,794	4,362	52%	Very little change again still over 50 % speeding also 1251 vehicles exceed 40-45 mph per day
	North	10/4/18	42.0	35.9	325,676	7,754	106,187	180,436	4,296	55%	Averages speeds much the same still 55% over 30mph
	North	29/10/18	28.0	35.9	217,781	7,778	74,451	122,949	4,391	56%	No change still 56% 0f daily traffic exceeding 30 miles per hour
Treadaway Hill South											
Treadaway Hill South	South	9/2/16	14.0	36.0	86,768	6,198	58,408	25,050	1,789	29%	Still a high % of vehicles exeeding 35
	South	3/7/16	10.0	35.8	61,111	6,111	42,229	29,048	2,905	48%	Only 10 days data due flat battery % over 35 per day a massive 48%
	South	10/10/16	14.0	35.9	112,249	8,018	42,846	62,454	4,461	56%	
	South	13/2/17	28.0	35.4	161,678	5,774	62,844	72,976	2,606	45%	
	South	3/7/17	28.0	36.5	229,444	8,194	74,922	133,157	4,756	58%	Yet another % increase in traffic traveling over 35 mile per hour
	South	8/1/18	39.0	36.0	208,937	5,357	78,029	99,853	2,560	48%	% speeding much the same bearing in mind traffic lighter due to christmas/new year hols
	South	16/5/18	36.0	36.2	241,525	6,709	90,985	116,653	3,240	48%	Nothing changes
Hammersley Lane											
Hammersley Lane	South	11/4/16	7.0	30.9	25,147	3,592	16,199	4,549	650	14%	Only 7 days recorded out of 21 days due to battery failure ??
