However, those present were reminded that all members have a responsibility to consider planning applications and if they have a view to feed back comments to the ward representative or to the Clerk.

When contentious applications or those with a wider interest are received the three ward members and the chairman of the Works, Services and Planning Committee form the Planning Applications Committee which meets as and when necessary.

The WS&P Committee appointed the following representatives to the Planning Applications Committee:

Cllr J Bailey	Flackwell Heath

Cllr L Willis ('lead' in-house auditor having served one year)
Cllr K Wood

6 Review of assets, risks and policies

It was AGREED that the strategy set out at the council's annual meeting in 2011 that the complete review by the F&GP committee of assets, risks and policies over the four -year term of office of this council should continue; being brought to council as each review is completed.
