

TREE PLANTING ON TYLERS GREEN COMMON

Sharon has kindly kept us informed about the proposal you are considering for planting 16 trees in memory of those killed in WWII. We strongly support the principle of such a memorial and have had a good look at your suggested places for trees. Our comments are as follows:

- a) We support a line of trees along school road provided they are of a modest size. Oaks, limes etc would be too big, but modest sizes such as flowering cherries or small-leaved limes (like those running down from Widmer Pond) would be suitable. 8 such trees would fit in the space, leaving open ground in front of the shops.
- b) The proposal for a second small tree near the seat opposite Russell and Miles does not fit in with the line of trees on the Front Common and would not be needed to make up the numbers if the trees are relatively modest in size. We don't want to fill the open common there.
- c) We support as many as 8 trees along Rays Lane on the Back Common, replacing the blackberries and a bushy shrub, but leaving open the long view down the common from Church Road East. The owners of Acorn Cottage should be consulted since the trees would be very close to their garden.
- d) 8 trees on the Back Common would free up the Village Hall/Bowyers triangle for 2 individual plantings.
- e) Remember that two oaks were planted on the Back Common by us and the British Legion in commemoration of the Diamond Jubilee. They do actually show on that clever aerial view; could do with being marked.
- f) We support 2 more trees on the green in front of the Village Hall and would suggest fruitful species like sweet chestnut or walnut.
- g) Sharon suggested that P&TGRS and CWPC might work together on this. If so, we would need to know costs and long-term maintenance responsibility.
- h) Has CWPC considered planting the trees both as WWII memorials and to mark the Platinum Jubilee. The WWI trees were planted as part of the 1937 coronation? See my note attached.
- i) P&TGRS is still looking for a Platinum Jubilee site.
- j) It would avoid confrontation with neighbouring residents if there is a public consultation before any final decision is taken.

Report: Magpie Wood

October 2021 – February 2022

Monday 11 October	Tidied along the edge of the bridleway to the east side of the wood on my own. Some of the branches appeared to have been dumped from neighbouring properties
Wednesday 13 October and Friday 15 October	Brian Turnock and I continued tidying the bridleway on the east side of the wood. We then moved to compartments 3 and 4 inside the bluebell area towards the middle of the wood.
Monday 25 October and Wednesday 27 October	Tidied the outside area of the dead edging on my own.
Friday 29 October	Tidied compartment 2 on the west side of the wood on my own. Arisings were added to the dead edging. Spoke to a couple from Wales and met up with a person from the Chiltern Rangers.
Monday 1 November Wednesday 3 November and Friday 5 November	Monday I was on my own. Wednesday and Friday Brian Turnock and I carried on tidying compartment 2/3 and 4. Arisings were added to the dead edging. Compartment 2 – noticed some branches getting close to neighbouring properties. Need to be checked.
Monday 8 November	With Brian Turnock continued to tidy compartment 2 /3 and 4. Had some concerned residents raise the issue of dog mess and asked for signs to be put up in the wood.
Monday 15 November and Wednesday 17 November	With Brian continued to tidy compartment 2
Monday 29 November	Brian and I took a walk around the wood – no more work required at the moment as all the clearance work that had been planned was complete. There had been some rubbish dumped in the wood – concrete and plastic sheeting, also old wooden fence panels had been left in the alleyway at the rear of the properties on The Rise.
Sunday 20 February 2022	A Christmas tree had been dumped. In compartment 2 there were a couple of trees which were leaning against other trees – this needs to be checked and monitored.

Rent Review

9. The rent payable is to be reviewed as follows:
- 9.1 For the purposes of this clause the terms defined in this sub-clause have the meanings specified
- (a) "the Base Figure" means £3,464.00.
 - (b) "the Increase" means the amount, if any, by which the Index for the month preceding the relevant review exceeds the Base Figure.
 - (c) "the Index" means the Index or CPI published by the Department of Employment of any successor Ministry or Department.
 - (d) "the First Review Date" shall be 31 March 2022 and subsequent review dates shall be annually thereafter.
 - (e) "a Review Period" means a period beginning on any review date and ending on the date before the next review date, and qualified uses of the terms are to be construed accordingly.
- 9.2 Ascertaining the Rent
- (a) The Rent

Until the First Review Date the rent is to be the initial rent of £3,464.00 per annum and thereafter during each successive Review Period the rent is to be a sum equal to the greater of the rent payable under this Lease immediately before the relevant review date or the revised rent that is ascertained in accordance with this clause.

(b) The rent for a Review Period is to be the initial rent of £3,464.00 plus the amount that bears the same proportion to the initial rent as the increase bears to the Base Figure.

9.3 Changes in the Index

If the reference base used to compile the Index changes after the date of this Lease the figure taken to be shown in the Index after the change is to be the figure that would have been shown in the Index if the reference base current at the date of this Lease had been retained.

9.4 The parties acknowledge that the initial rent of £3,464.00 is less than the open market rental for the Pavilion, Sports Field and Car Parking Area and is based upon the Tenant being a non-profit making organisation and if at any time the Tenant is found to cease to be a non-profit making organisation but becomes a profit-making organisation then the Landlord can call for a review of the rental on the review date to an open market valuation for the Property and such open market rental shall then become the annual rent which shall then be subject of review as hereinafter provided.

9.5 For the purpose of clauses 9.4 and 16.6 hereof the definition of non-profit making organisation is one where the income of the Tenant is raised from its members by way of subscription or donation or fund raising activities and occupational arrangements with local community groups who pay for the use of the facilities of the Property PROVIDED ALWAYS THAT the Tenant does not distribute its surplus income by way of a dividend or distribution to its members.

9.6 For the purposes of clause 9.4 hereof open market valuation is defined as a rental payable by a profit-making organisation and in the event of the parties hereto failing to agree upon the level of an open market rental within six months of the Landlord calling for a review of the rental to an open market rental the matter shall be determined by an Arbitrator appointed in accordance with Clause 16.4 hereof.

9.7 Arbitration

If it becomes impossible to calculate the rent for any review period by reference to the Index because of any change in the methods used to compile the Index after the date of this Lease or for any other reason whatever, or if any dispute or question whatever arises between the parties as to the amount of the rent for any review period or open market rental or the construction or effect of this clause, then the rent for that review period or the disputed matter is to be determined by the arbitrator in accordance with clause 16.4.

Damage

10. If the Pavilion is damaged by any risks to be insured under Clause 12 and as a result of that damage the Pavilion or any part if it cannot be used for the use allowed,
 - 10.1 the rent or a fair proportion of it is to be suspended until the Property is fully restored.
 - 10.2 If at any time it is unlikely that the Property will be fully restored the Landlord (so long as it has not willfully delayed the restoration) or the Tenant may terminate this Lease by giving three months' notice to the other in which case:
 - (a) the insurance money belongs to the Landlord and
 - (b) the Landlord's obligation to make good damage under clause 12 ceases.
- 10.3 Any dispute arising under any part of this clause is to be decided by arbitration under clause 16.4.

The Landlord may determine this Lease on 31 March 2025 on giving to the Tenant not less than [six/three months'] prior written notice whereupon this Lease shall cease and determine but without prejudice to the rights and remedies of either party against the other in relation to antecedent matters

GRANT STATEMENT

- 18 The Landlord and the Tenant wish to record that the initial rent of £3,464.00 has been agreed to reflect a reasonable return to the Landlord of the cost to it of constructing and laying out the Property and that it does reflect that the Tenant is a non-profit making organisation as defined in Clause 9.5 hereto. It is the intention (but not legally binding) that the Landlord (as a public body) will annually give grants to the Tenant, a maximum rebate of 50%, being part of the rent to offset the cost to the Club in recognition that it provides sporting facilities to over 60% of their members with the Landlord's parish area. This rebate shall be a sliding scale decreasing to 40% if the percentage of membership from the Landlord's parish area falls to between 40% and 60%. In connection with such grant the Tenant shall notify the Landlord promptly on an annual basis of the number of children registered as members of the Club using the facilities at the Property, and the Tenant shall also advise the Landlord whether or not it retains its non-profit making status.
