Raise residents' issues & liaise with councils/interested parties. Main aims:

Provide leisure & recreation facilities – Monthly food market, annual fete/festival, Christmas Market, Quiz night.

Promote preservation, development & improvement of character & amenities – Supporting Flackwild Heath, maintenance of a number of planters around the village, as well as Jubilee Gardens. Monthly repair café, and monthly litter picks

Help support elements within our community that are in need. We donate monthly to the local Community Pantry at Christchurch, Chapel Lane. Donate each term to Carrington Infant School for breakfasts. Regular annual donations to Carrington School, Juniper Hill School, Flackwell Heath Scouts & Guides. We have a community Grant Scheme (£500 max) that has been used on several occasions for applications from our community on small projects in and around our village. We are also currently working with County and Parish Councillors, along with Reverend James Dwyer to get a Youth Club off the ground.

Not for profit.

We have about 250 paid (£5pa) members and 3,000 people on our private social media page.

For what purpose of project is the grant/donation requested?

Buckinghamshire Council has unfortunately withdrawn funding for the installation and removal of a Christmas light display in Flackwell Heath from December 2024 onwards.

We have received the below quote from existing provider Lamps & Tubes for the provision of a Christmas light display in Flackwell Heath village centre this Christmas, and would like to apply to CWPC for 50% of the total value, being £2,748.18. The remaining 50% will be met by our reserves.

Who will benefit from the project, specifically with residents of Chepping Wycombe in mind?

- Existing 6,000 residents of our village and attract new residents as a desirable place to live and work.
- Maintaining and increasing the number of residents in the village boosts Council Tax revenue and increases trade for business in the village.
- Providing an attractive Christmas light display that provides benefit for the community helps justify increases in Council Tax for expenditure for Parish Councils as it's a very visible positive benefit to residents.
- The display also encourages passing trade to stop and spend in the village. The Light Display is part of the Flackwell Heath "Christmas on the Heath" annual event to bring the community together to switch the lights on. They brighten the long dark cold winter night to bring positive light that benefits mental well being and sense of community.

What are the objectives of the organisation?

Does the organisation carry out any trading activity with a view to profit?

Does your organisation have a membership?

Objective - Provide Tennis in the local community. We look to provide a venue for adults and kids of all ages and abilities to take part in a fun and healthy hobby around Flackwell Health and the local area. We run coaching sessions throughout the week and weekend, and arrange club play evenings and tournaments as well as leaving court time for members to play with friends or family.

Profits – Not for profit. We are a community sport organisation. The committee is unpaid and dedicates our spare time to keep the club going.

Memberships – Yes, we collect a fee from members. We use this money to keep the courts and club house up to spec. We use any remaining funds to build a sinking fund to complete any large projects such as replacement of the court surface (every 10-15 years), exterior fencing (25yrs) or make improvements to the clubhouse. We have kept our membership fees low throughout the pandemic and the cost of living crisis to be able to deliver to as much to the local community as we can, which has impacted our ability to build the sinking fund to make these much-needed maintenance works.

For what purpose of project is the grant/donation requested?

Replacement of the exterior fencing around the courts and clubhouse, which had become old and no longer suitable and is at risk of falling down in the next couple of years if action is not taken. We would be delighted if the parish council could give us any support on this project. We have initiated the project anyway and will be able to squeeze to make the finances work, however any investment will mean these funds can instead be used to improve the service we deliver to the local area. If we were to receive

Report to F&GP 11/09/2024 on "our" Community Board (BCWCB) by Alec Barron

This was the second meeting this year. There were 17 attendees, with Catherine Oliver as Chairman and Liz Charter as the Community Board Manager.

The plan was to have 3 presentations:

Thames Valley Police – Alex Payne  
Be Healthy Bucks – Shamuz Zaman  
Simply Walks – Fiona Broadbent

Unfortunately, Shamuz Zaman was unable to attend.

Thames Valley Police – Alex Payne

I was a little surprised by this presentation as it was almost exclusively aimed at Chepping Wycombe! The other areas seemed to be ignored.

Crime within CWP was down, (on average), compared to 2023. Whilst there was a little variation between the sectors, Burglary, Theft from motor vehicles etc, there was no mention of Domestic Violence or Violence against women. Some of the Community Board members were surprised by this.

Simply Walks – Fiona Broadbent

The Simply Walks vision is for everyone to have access to free and easy walks in the community. Their modus operandi is to advertise a "local walk" within the county, attend the inaugural walk, identify potential "leaders" and encourage further organised walks that include a variety of abilities.

I did point out that the u3a does this sort of thing, and some of the Beaconsfield attendees also pointed out that there was a walk around the various Mozaics that had been sponsored by BCWCB!

Simply Walks claim a footfall of around 27,000!

Funding Report:

The budget is £55,852 There are 4 project applications in the pipeline.

| Organisation                     | Project                             | Contributory funding | Decision |
|----------------------------------|-------------------------------------|----------------------|----------|
| Chiltern Rangers                 | Flackwild Heath Phase 2             | £8,151               | Jun-24   |
| Flackwell Heath Residents Assoc. | Bridging the Gap – F.H. Youth Group | £15,000              | Pending  |
| The Beaconsfield School          | Stepping Stones – Youth provision   | £9,785               | Pending  |
| Juniper Hill School              | Accessible playground equipment     | £7,000               | Pending  |

Thus BCWCB has nearly £16k unallocated budget remaining!

There was also a slide on Bucks Council updates.

- NPPF – new changes planned under the new Government.
- A new model for the community boards – smaller number of CBs
- Local Cycling and Walking Infrastructure Plan (LCWIP)
- Spending Plans for 2025 / 26 – Consultation closes 13 October

**ANNEX:**

A. CSW Report.

**Annex A - CSW report for NAG meeting 26/6/24**

The teams in Tyler's Green and Hazlemere have completed .

21 hours of sessions.

|                                 |       |
|---------------------------------|-------|
| Total vehicle movements were.   | 3764  |
| Vehicles recording speeding.    | 221   |
| Highest vehicle speed.          | 51mph |
| Average speed of these vehicles | 38mph |

Unfortunately due to medical / availability reasons Flackwell Heath team were unable to do any sessions, despite the article in the Grapevine NO further volunteers were forthcoming.

Also a resident in Fennels Farm Road raised concern regarding speeding , unfortunately due to regular resident street parking / limited CSW location, narrow busy road it's unlikely the team can monitor in the short term.

Project Edward ( Every Day Without A Road Death ) which is a national project. Our TVP coordinator Lee Turnham was asked if he was willing to arrange for a CSW team to do a Speedwatch session with both Lee and the Volunteers be interviewed at the location.

The session/interview was done at the Lester Grove/ Amersham Road location on 15th May.

We also had a call from the coordinator of the recently formed CSW team in Marlow (we had demonstrated Sentinel / Bushnell at one of our sessions to him ) he has approached Marlow PC for financial support to purchase a Sentinel Radar. Unfortunately a senior councillor has raised a number of questions with him of why the Radar is required but the questions indicate the councillor has little or no idea of what the CSW Programme is about.

Lee Turnham has tried to contact her recently, to no avail.
