1. "Resident" means a permanent resident and/or ratepayer of Chepping Wycombe Parish Council. This definition includes those residents who have been caused to leave the said parish for any period of years by reason of hospital treatment or other care required to be given by authorized persons, or residence in Sheltered Accommodation outside the Parish. The Council may require to consider proper evidence to support these Conditions and their decision on that evidence will be final.
2. Extra 10 year on ERoB only applicable when the original ERoB is nearing completion.
